December 7, 2013

The two big corporate players one is well known for offering electronics and engineering components named Bosch GmbH and second is prodigious in serving authentic services in Intellectual Property Rights including Trademark, Patent, Copyright and other corporate legal segments named Global Jurix LLP. These two milestones in their respective fields have decided to join hands to boost the trademark. Bosch Rexroth Pneumatics GmbH welcomes Global Jurix of India to serve them in handling their trademark. They both entered into the strategic partnership where Bosch Rexroth Pneumatics GmbH needs Global Jurix to review and lift its trademark applications.

On signing the deal, Global Jurix legal partner, Mr. Rajan has added few words on the behalf of his IPR team that “It is the great honor to work for one of the subsidiary of Bosch GmbH where I am confident that our past corporate experience and contacts with professionalism will prove to be worthy and meaningful while serving the Bosch Rexroth Pneumatics GmbH with the best”.

He also added that “I’m glad that our cooperation will continue to deepen where we put our best efforts to support the Bosch GmbH’s business segments to flourish in different regions of the world”. In this whole framework, Global Jurix assures to offer comprehensive trademark services under different classes.

As we all know, Bosch Rexroth Pneumatics GmbH which is one prestigious segment of Bosh GmbH; is one of the world biggest firms deals in deploys leading technology including tooth chain technology, marine technology, pneumatics in trucks and busses and many more. In order to expand its business in the remaining facets of the world and to review the current status of the running segments; Bosch GmbH needs Global Jurix to serve them with their proficient services. At the same phase, Bosch Rexroth Pneumatics GmbH also assures that this deal will add upstanding legal force to their business that further will enhance and strengthen its position in the corporate world.

On other side; the deal has also been acclaimed by Global Jurix where they are excited to add another brand in their client list. Global Jurix, being as a one of the leading IPR firm of India having a long tenure of experience in serving the business world with its majestic services in trademark, patent and copyright. Global Jurix at last concludes that this deal will prove an additional momentum to its market position with the aim to bring the global brands under one roof.
